

TEACHER WILL GO AND LIVE ON HER CLAIM

Miss Mabel Mould.

"Yes, I expect to go out and live on it with my mother next spring and stay during the summer developing it," said Miss Mabel Mould, an Omaha school teacher, who drew No. 118 at the North Platte land drawing.

"This is the third time that I have tried to draw land and so I was delighted to get it. I didn't expect to register at all this time, but my mother was going out and I decided at the last minute to go. When I was a teacher out in the state I registered at two of the Dakota land drawing, but did not get a thing."

Miss Mould is a graduate of the Omaha High school and the state university. She teaches at the Howard Kennedy school. Her home is at 220 North Twenty-second street.
