
SCHOOL SUPPLIES ARE IN NEW WAREHOUSE

All of the office furniture and supplies of the custodian of supplies, J. W. Maynard, and of the superintendent of buildings, Duncan M. Finlayson, of the board of education, are today being moved from the old Pacific school at 915 Pacific street to the new warehouse building erected by the board at 2020-22-24 Nicholas street. The new warehouse is largely built from brick taken from the old Omaha View school. The old Pacific school, which is in bad shape, must be torn down.
