

Boys' Club News...

THE ALUMNI COLUMN

by Willie Bob Johnson

This week's column features Ivan Miller, son of Mr Franklin Miller, of 2416 North 22 Street. Ivan attended Howard Kennedy and Clifton Hill Elementary Schools, and he graduated from Omaha Technical High School in June of 1971.

Ivan Miller's Boys' Club life was a very interesting one. It all started in 1964 when Ivan was selected for his football achievement and later as Mountaineer of the Year for the Boys Clubs of America in Fort Carson, Colorado. Later he went on to merit the award for Leadership training, but this was only a start.

During his years at the Boys' Club, Ivan was not only an active member but he also achieved several outstanding awards at the Boys' Club. Ivan was also a member of the North Omaha Water Football Championship Team which was invited to the Banquet of Champions, and if you've ever seen Ivan Lapail Miller, you would know why he won the Boys' Club Weight Lifting Achievement Award in 1969.

This was only a small portion of Ivan's Boys Club life, as he says, "I almost lived my whole life in the Boys' Club because it was like a second mother and father to me."

Ivan is now a member of the Boys' Club Staff and he will attend the University of Nebraska at Omaha this fall.
